CELEBRATE THE FESTIVE SEASON
IN TIMELESS STYLE

Planning an end-of-year celebration?

As the largest party venue in Windsor, we host private celebrations for up to 300 guests, delivering large-scale events that run smoothly from start to finish. More personal occasions receive the same thoughtful approach, with intimate festive lunches and dinners bringing teams together, often paired with a meeting before the celebrations begin.

We are ready and waiting to host your private festive gathering throughout November, December, and into January. Years of experience welcoming hospitality teams, businesses, and groups of friends alike mean we understand that December doesn't suit everyone.

Private Christmas parties offer the perfect opportunity to celebrate the season in style. Thoughtfully designed menus, a welcoming festive atmosphere, and a choice of spaces ensure every gathering feels effortless and memorable for every guest.

Larger spaces suit bigger businesses or occasions with longer guest lists, creating room for a truly impressive event. Smaller spaces offer a more intimate setting, ideal for departments, groups of friends, or families wanting to gather without the stress of organising the event at home.

Our shared parties offer a lively festive atmosphere, bringing people together around the same tables without the need to host the entire event. Colleagues, friends, or a mix of both gather to enjoy great food, music, and plenty of festive cheer, with a DJ setting the soundtrack for the evening and casino tables adding a touch of glamour to the night.

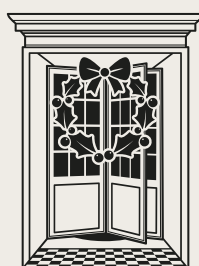

Guests arrive amid twinkling lights and festive décor, with drinks waiting as soon as they step inside. Start the evening in the bar or head straight into the festivities with a chilled glass of bubbles in hand.

Mouth-watering festive dishes, memorable moments, and a party your guests will be talking about well into the New Year.

This Christmas, the stakes are high and the celebrations are even higher.
