WELCOME

The Castle Hotel is one of the most beautiful buildings in Windsor. It offers a unique blend of historic elegance mixed with contemporary touches and has been lovingly restored over the years to preserve all the hotel's rich history. The Castle Hotel makes a captivating backdrop for your wedding day.

From its humble beginnings as The Mermaid Inn in the mid-16th century, the hotel received a Royal Warrant after a century of success, assuming a position as an official posting inn. Renamed The Castle, the hotel was regarded by royals and aristocracy as one of the finest in the area.

CHOOSE YOUR SPACE

With its high vaulted ceilings, exquisite chandeliers, a private bar and flexible space for a dance floor, the Windsor Suite is the most popular wedding suite. It has enough space for up to 300 guests.

For slightly smaller weddings of up to 60 guests, the Balmoral and Sandringham Suites are perfect choices. Bathed in natural daylight, create a friendly and lively atmosphere and connect with all of your guests.

If it is just you and your very closest friends and family, we can reserve a semi-private area in Leaf, our unique and character-full restaurant. We can help you plan a menu full of your favourite dishes.

As we are also licensed to host civil ceremonies, we can host your whole day from start to finish.

WEDDING MENUS EXQUISITELY PREPARED

The mastermind behind your wedding breakfast menu is Suraj and his talented kitchen brigade. They will work with you to create a wedding breakfast from our menu options that matches your budgets, your theme and includes some of your favourite ingredients. Where possible, many of those ingredients will have been sourced from our larder of local producers.

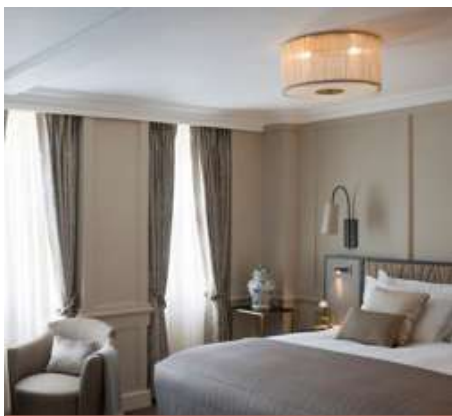

From exquisite canapés to welcome your guests to divine desserts at the end of the wedding breakfast and a varied choice of evening options. We will captivate you with our food and leave your guests with very fond memories of a special day to the very last bite.

And everyone will be catered for. Vegan, gluten-free and vegetarian choices are all available, we even have a children's menu to please the fussiest child.

Pair your wedding breakfast with some of the best vintages available. Our team can help advise on wines and drinks to perfectly compliment your day.

If you would like to bring your own caterers to our beautiful venue, that is possible too. Speak to the team about how we can make that happen.
